Driinn™ Mobile Phone Holder

Driinn™ is a **handy, easy-to-use** product for anyone with a mobile phone, ipod or PDA.

No more lost mobile phones or empty batteries.

Your phone will be **easy to find** and always charged!

Charge it! Store it! And Keep it Safe with **Driinn™**

Product presentation

Driinn™ is displayed on a compact metal display stand.

The display contains graphics, a "dummy" mobile phone, a charger and a wall socket. This way the end-user can see directly how Driinn™ is used at home. It's a real eyecatcher that maximizes sales and requires minimal in-store space.
