Appendix 11 - SIEV Return Operations

1. General.

FA units may be ordered to return a SIEV and persons embarked on it to the Indonesian Territorial Seas (IDTS).

[REDACTED]

s 37(2)(b)

2. Conduct of Return Operations

The risk that PII and SIEV crew sabotages their SIEV to precipitate a SOLAS situation is at its highest where they believe that this return is possible. BOARDING PARTYC FE must be prepared for this potential sabotage.

[REDACTED]

s 37(2)(b)

Where GOAS policy changes and return operations may be authorised, it is likely that SIEV approach routes will change.
