Could you please work with s47E(d) to initiate a QA into the claims of PII mistreatment that have emerged in the media over the last 24 hrs. s47E(d)

s47E(d)

s47E(d)

s47E(d)

This QA is not a witch-hunt, it is simply business as usual for us when allegations against ADF members arise, and it will allow us to establish the facts and refute the misinformation that is being used to tarnish the reputation of s47E(d) and our Navy.

CDF and CN will be going out formally this morning flatly refuting the claims of PII mistreatment by ADF personnel and CJATF will reinforce this in tomorrow media statement. It would be useful if the QA could be completed before the release of tomorrow's media statement, in order to strengthen the position of CJATF tomorrow.

Regards,

**CO DECISION RECORD INTO QUICK ASSESSMENT FINDINGS RELATING TO
 MIS-TREATMENT OF POTENTIAL ILLEGAL IMMIGRANTS BY HMAS
 s47E(d) STAFF DURING THE PERIOD s47E(d)**

Reference:

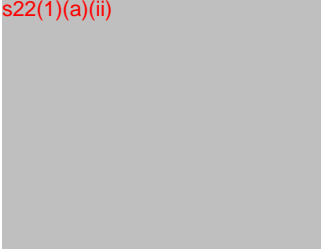

A. DI(G) Admin 67-2 – Quick Assessment

1. I directed staff to undertake a Quick Assessment (QA), in accordance with the reference, of Boarding Activities conducted by HMAS s47E(d) in association with Suspected Illegal Entry Vessels s47E(d), following claims of mis-treatment of Irregular Maritime Arrivals broadcast by the Australian Broadcasting Corporation (ABC), and other media outlets, on 8 January 2014.

2. Having reviewed the QA and attached documents, I have decided that there is insufficient information to support any claims of mis-treatment whilst under HMAS s47E(d) custody. From the information provided, I assess that all ADF personnel have acted professionally and in accordance with Defence Values. I intend no further action be taken in relation to this matter.

3. The attached QA is forwarded for further consideration.
