Formula 60680

Auto dishwashing Tabs range « best » all in one

Actions

High cleaning Power: The Tab by Eurotab contains enzymes and active oxygen which allow to remove most persistent stains like dried on food.

Limited glass corrosion and pattern protection: Thanks to its reduced alkalinity of washing bath

Optimised dissolution: This tab is adapted to all washing cycles including short runs and low temperature cycles.

Brightness: This tab has been specially formulated for use in all automatic dishwashers to clean and protect crockery, cutlery and cookware.

Advantages

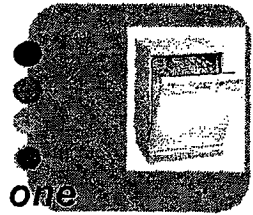

- Accurate and easy dosage
- Reduced storage volume
- Safe use
- Rational Distribution
- Waste reduction
- Easy to handle
- Longer shelf Life

Characteristics

- Aspect: Solid
- Shape: Octogonal
- Number of layers: 3
- Colour: white/ yellow / green
- Perfume: citrus
- Weight: 16 g

Earth Choice All in One Dish Tablets - 42 pack

Tough on grease, gentle on the environment

42 tablets

Earth Choice dish tablets are specially formulated to cut through tough food residue removing stains from grease and oil. The dissolvable wrappers make it convenient and easy for your use, leaving your glassware and dishes with a sparkling finish. These tablets are formulated to minimise harmful effects on our environment.

Please note: decorated glassware and hand painted china are best washed by hand. Do not let silver touch stainless steel. No need to unwrap the tablet. Avoid handling the tablet with wet hands.
