DECISION RECORD

Request Details

FOI Request: FA 16/03/00475
File Number: ADF2016/10584

Scope of Request

You have requested access to the following documents:

'documents which show what were the particulars of the goods that were the subject of the application for the Tariff Concession Order (TCO) 0411207.'

I note that TCO 0411207 was revoked on 20 June 2007 and re-issued as TCO 0614465 on 1 January 2007.

Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions to in respect of requests to access documents or to amend or annotate Departmental records.

Relevant material

In reaching my decision, I have considered the following:

- the terms of your request;
- the documents relevant to your request;
- the FOI Act;
- Guidelines published by the Office of the Australian Information Commissioner under s 93A of the FOI Act, and
- advice from Departmental officers with responsibility for matters relating to the documents to which you sought access.

Reasons for Decision

I am satisfied that I have been provided with all the documents that are relevant to your request. The schedule of the five documents that fall within the scope of your request at **ATTACHMENT B** sets out the decision on access and, where appropriate, refers to various sections of the FOI Act. My reasoning in relation to the application of each section to particular documents is set out below.

1 Section 22 of the FOI Act – irrelevant to request

Section 22 of the FOI Act provides that if giving access to a document would disclose information that would reasonably be regarded as irrelevant to the request, it is possible for the Department to prepare an edited copy of the document, modified by deletions, ensuring that the edited copy would not disclose any information that would reasonably be regarded as irrelevant to the request.

On 8 March 2016, the Department advised you that its policy is to exclude the personal details of officers not in the Senior Executive Service (SES), as well as the mobile and work telephone numbers of SES staff, contained in documents that fall within scope of an FOI request.

I further note that your request is specifically for "*the particulars of the goods that were the subject of the application for the Tariff Concession Order (TCO) 0411207*". I am therefore of the view that information such as the contact details for the applicant and their broker and references to locally produced goods are not relevant to the scope of your request.

As such, I have decided that parts of documents would disclose information that could reasonably be regarded as irrelevant to your request, and have therefore prepared an edited copy of the documents, with the irrelevant material deleted pursuant to section 22(1)(a)(ii) of the FOI Act.

The remainder of the documents have been released to you as they are relevant to your request.

 - (c) it is reasonably practicable for the agency or Minister to prepare the edited copy, having regard to:
