*Onshore/Offshore breakup is based on visa holder's location at the time of latest cancellation.

A visa may be recorded as cancelled more than once. An example of a visa being recorded as cancelled more than once is if the visa is cancelled, the cancellation is subsequently revoked or set aside, and then the visa is cancelled again.

A cancellation may be revoked or set aside for a number of reasons, including further legal proceedings, and administrative or jurisdictional errors, etc. Duplicates may exist.
