

## DATA FROM *HALF YEARLY FIREARMS REPORTS*

### January – June 2000

Table Ten: Methods of Importation of Illegal Firearms and Air Guns <sup>11</sup>

(<sup>11</sup> This is the number of times an importation method is used; it does not account for the number of firearms per illegal detection, and as a result is less than the total number of firearms imported).

| Mode      | Firearms | Air Guns |
|-----------|----------|----------|
| Sea Cargo | 17       | 18       |

### July – December 2000

Table Eleven: Methods of Importation of Illegal Firearms and Air Guns: July 2000 –December 2000 <sup>22</sup>

(<sup>22</sup> The information provided is restricted due to the unavailability of registers from Western Australia. Further, it was not possible to effectively disaggregate air passenger data from Queensland)

| Method Of Detection | Firearms | Air Guns | Total |
