Information considered

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate departmental records. In reaching my decision, I have considered the following:

- the *Freedom of Information Act 1982*;
- departmental files and/or documents (identified above); and
- the Australian Information Commissioner's guidelines relating to access to documents held by government.

Reasons for decision

I have considered the files within the scope of your request and applied exemptions in part or in full to documents as detailed in the Schedule of Documents. You should read the schedule in conjunction with the exemptions below.

Deletion of exempt or irrelevant material under s.22 of the FOI Act

Section 22(2) of the FOI Act provides that, where an agency reaches the view that a document contains exempt information or material that is irrelevant to the request **and** it is possible for the agency to prepare an edited copy of the document with the irrelevant or exempt material deleted, then the agency must prepare such a copy.

This edited copy must be provided to the applicant. Further, the decision maker must advise the applicant in writing that the edited copy of the document has been prepared and of the reason(s) for each of the deletions in the document (s.22(3) of the FOI Act).

Irrelevant material within the document has been deleted pursuant to s.22(1)(a)(ii) of the FOI Act.

The attached Schedule of Documents identifies documents where material has either been deleted as exempt information under the FOI Act or deleted as irrelevant to the scope of the request.
