Thanks Brendan

We'll be back in touch during the day with some thoughts on next steps. But firstly, can you confirm you are happy for me to share this with Robert Hoytink? As soon as I raise any issues at elevated levels we can expect his counterparts to contact him.

Kind regards

Caroline

Hi Caroline,

As discussed with Rachel Noble, please find attached a briefing with background and proposed approaches for engagement with the US. The brief has been developed with FAS International, Lachlan Colquhoun, and cleared by DIBP Secretary.

As Rachel mentioned, grateful for very limited distribution on this.

Regards
Brendan
