

Travel expenses for the period 2016-7

The report is limited to substantive officers (SES Band 3 and above) that were employed by DIBP during the 2016-17 financial year.

The report is generated based on the transaction dates between 1 July 2016 and 30 June 2017. The actual trips and the expenses that they relate to may fall outside of this date range.

The report includes all the flights, accommodations and QBT fees charged to the respective DIBP Officers. It would not include travel booked and charged to another Officer or Business area.

The report is based on pre-determined data fields, while the data has been reviewed to ensure it is accurate, there is a possibility it may include non-travel related expenditure, for example: a hotel may be booked for other work-related reasons such as seminars.
