Compliance Program Information Sessions Brisbane 28 August 2012

Due to overwhelming interest from industries in Brisbane, given consideration to the venue capacity we have made the decision to run an afternoon session in addition to the scheduled morning session. The session date and venue remain unchanged. As a result, there will be two sessions running in Brisbane instead of one on 28 August 2012.

Session details are:

Brisbane	28 August 2012	(Two Sessions) 09:30 – 11:30 or 13:30 – 15:30pm	Customs House 20 - 22 The Circuit Brisbane Airport BRISBANE QLD 4007
----------	----------------	--	---

To register for a session, please email Risk&Strategy2@customs.gov.au providing your name, contact details, the company or organisation that you represent and indicating the session that you wish to attend.

For those have already registered for the morning session and have received confirmation from Compliance Risk and Strategy, if you wish to switch to the afternoon session please contact by return email. Otherwise no action is required.

For further enquiries, please contact us via email at Risk&Strategy2@customs.gov.au.
