**CUSTOMS ACT 1901****INTENTION TO REVOKE TARIFF A CONCESSION ORDER**

The Comptroller-General of Customs intends to revoke the Tariff Concession Order (TCO) for the goods described in the following TABLE in accordance with s.269SD(1AA) with effect from 22 March 2017.

On 22 March 2017, the Comptroller-General of Customs' delegate formed the belief in respect of this TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the Comptroller-General of Customs would not have made the TCO. This is because the wording of the TCO does not provide a full description of the goods.

Interested parties who might be affected by this revocation are invited to provide, by close of business Wednesday 19 April 2017, a written submission concerning the proposed revocation.
