**TARIFF CONCESSION ORDERS (TCOs) NOT USED IN THE PREVIOUS 2 YEARS**

The Comptroller-General of Customs is satisfied that the TCOs listed in the table below are no longer required because, in the 2 years preceding the day of this notice, they have not been quoted in an import declaration to secure a concessional rate of duty.

From Thursday, 12 April 2018, it is intended to take action to revoke these Orders under subsection 269SD (1A) of the Customs Act 1901. In accordance with subsection 269SG (2) of the Customs Act 1901, in transit provisions shall apply. If revoked, the expected date of effect will be 12 April 2018.

Interested parties are invited to provide, by close of business, Wednesday 11 April 2018, written reasons why an Order should NOT be revoked.

Please advise if any of the Orders listed below have been quoted on an import declaration.

If a request is made to retain an Order used for the granting of a Determination, please specify the Determination and the linked Item number to enable mapping to the Order and its scope.

**CUSTOMS ACT 1901****INTENTION TO REVOKE TARIFF CONCESSION ORDER**

It is intended to revoke the Tariff Concession Order for the goods described in the following TABLE.

The Comptroller-General of Customs' delegate has declared the intention, subject to s.269SD(1AB) of the Customs Act 1901, to make an order revoking the TCO in the table below with effect from 7 March 2018.

On 7 March 2018, the Comptroller-General of Customs' delegate formed the belief in respect of the TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the Comptroller-General of Customs would not have made the TCO. The Comptroller-General of Customs would not have made this TCO because he believes that the TCO is considered unnecessary as the goods covered by the TCO can be imported under another TCO covering a broader range of goods.

Interested parties are invited to provide, by close of business 11 April 2018, written reasons why the TCO should not be revoked.
