**NOTICE PURSUANT TO SECTION 269SD(5) - TARIFF CONCESSION ORDERS TO BE REVOKED**

The Tariff Concession Order for the goods described in the following TABLE contains a description of the goods in terms of their intended end use. Section 269SD(5) provides for the revocation of Orders in this circumstance. Consequently, the Tariff Concession Order listed below will be revoked from 02 April 2015.

Any importer seeking continued Tariff Concession Order coverage of these goods should lodge a new Tariff Concession Order application within 28 days of this notice to provide adequate time to process replacement applications prior to revocation. Any replacement application will be subject to current criteria for acceptance and granting of a Tariff Concession Order. The current existence of any of these Orders is NOT acceptable evidence of the absence of any local manufacturers of substitutable goods. Applicants must establish that there are reasonable grounds for asserting that the application meets the core criterion through normal enquiries.

In transit provisions will NOT apply.
