NOTICE PURSUANT TO SECTION 269SD(5) - TARIFF CONCESSION ORDER TO BE REVOKED

The Tariff Concession Order for the goods described in the following TABLE contains a description of the goods in terms of their intended end use. Section 269SD(5) provides for the revocation of Orders in this circumstance. Consequently, the Tariff Concession Order listed below will be revoked from 16 April 2015.

Any importer seeking continued Tariff Concession Order coverage of these goods should lodge a new Tariff Concession Order application within 28 days of this notice to provide adequate time to process replacement applications prior to revocation. Any replacement application will be subject to current criteria for acceptance and granting of a Tariff Concession Order. The current existence of any of these Orders is NOT acceptable evidence of the absence of any local manufacturers of substitutable goods. Applicants must establish that there are reasonable grounds for asserting that the application meets the core criterion through normal enquiries.

In-transit provisions will NOT apply.

CUSTOMS ACT 1901**INTENTION TO REVOKE A TARIFF CONCESSION ORDER**

It is intended to revoke the Tariff Concession Order (TCO) for the goods described in the following TABLE.

The Chief Executive Officer's (CEO's) delegate has declared the intention, subject to s.269SD(1AA), to make an order revoking the TCOs in the table below with effect from 18 March 2015. On 18 March 2015, the CEO's delegate formed the belief in respect of the TCO, that if the TCOs were not in force on that day, and applications for the TCOs were made on that day, the CEO would not have made the TCOs.

The intention to revoke is because the delegate has formed a belief that the wording of the TCO does not contain a full description of the goods.

Interested parties are invited to provide, by close of business Wednesday 15 April 2015, written reasons why the TCOs should not be revoked.

Contact: email tarcon@customs.gov.au, fax 02 6275 6376 or telephone 02 6275 6041.
