AUSTRALIAN CUSTOMS AND BORDER PROTECTION SERVICE**TARIFF QUOTAS - QUOTA TRANSACTIONS PROCESSED IN THE PERIOD 31 Mar 2015 to 14 Apr 2015.**

GENERAL INFORMATION

This Gazette contains details of quota transactions processed in the period 31 Mar 2015 to 14 Apr 2015 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions.

Part 2, Section B, lists all adjustments to previous allocations which have been caused by transfer transactions.

NB.- In Section B, transactions represent changes to individual tariff quotas and do not necessarily represent the entire holdings in that category for the quota holder.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Inquiries concerning any information published within this Gazette should be directed to Industry Assistance Section, Trade Branch, Australian Customs and Border Protection Service, 5 Chan Street, Belconnen ACT, 2617.
