New website, new email address

A new website - www.border.gov.au - will begin on 1 July 2015 to mark the integration of two government departments into the Department of Immigration and Border Protection.

The new website will replace the former DIBP and Customs websites. Internet searches for immi.gov.au and customs.gov.au will redirect to the new address.

Email addresses will change to firstname.lastname@border.gov.au.

In addition, the email for Tariff Concession Order applications will change to tarcon@border.gov.au

Business continuity - Tariff Concession Orders

In urgent situations where applicants for Tariff Concession Orders are unable to be lodged by email with the Department of Immigration and Border Protection, please be aware that applications and correspondence can be lodged by facsimile or post.

NOTICE OF DETERMINATIONS MADE UNDER PART XVI OF THE CUSTOMS ACT 1901

Under subsection 273B(2) of the Customs Act 1901, notice is hereby given of the making of determinations applying to goods of a kind specified in the table below.

In the table:

(i) the first column specifies the kind of goods to which the determination applies, any conditions specified in the determination, the commencement and cessation dates of the determination and the Determination reference number;

(ii) the second column specifies the item in Schedule 4 to the Customs Tariff Act 1995 that applies to the specified goods.

(iii) 'AD' indicates the determination was made by AusIndustry;

(iv) 'DE' indicates that the determination was made by Immigration and Border Protection

Goods ancillary to an EPBS project, including office equipment, buildings, office/personnel accommodation and goods used in activities such as land preparation, road construction and maintenance, transportation (other than pipes, pipelines, conveyors, power transmission lines, flexible flow lines, etc integral to the project and used to convey gas liquids, minerals, electricity or other materials or goods) and the provision of telecommunications and other general services are excluded. Materials, consumables and construction and servicing equipment, including all fuels, oils lubricants, adhesives, filters, protective garments, tools, ladders (other than articles auxiliary to and designed to be permanently attached to eligible goods under EPBS, such as pylons, supporting structures, staircases, ladders, railings, etc) paint, varnish and the like are ineligible under EPBS, as are spare parts used for on-going maintenance beyond the commissioning of the project.

EPBS Determinations also apply to all goods listed in the Determination when they are imported in multiple shipments, which may be from different locations at different times.

Where a number of EPBS Determinations are issued for a particular eligible good, all associated Determinations must not exceed the quantity of goods approved by the Delegate in the EPBS Project Eligible Goods List.
