CUSTOMS ACT 1901

INTENTION TO REVOKE TARIFF CONCESSION ORDERS

It is intended to revoke the Tariff Concession Order for the goods described in the following TABLE.

I, James Buntine, a delegate of the Chief Executive Officer(CEO), declare my intention, subject to s.269SD(1AB), to make an order revoking the TCO in the table below with effect from 6 June 2011. On 6 June 2011, I formed the belief in respect of the TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the CEO would not have made the TCO.

That is because there is a local manufacturer producing substitutable goods in the ordinary course of business.

Interested parties are invited to provide, by close of business Wednesday 10 August 2011, written reasons why this TCO should not be revoked.

Contact: email tarcon@customs.gov.au, fax 02 6275 6376 or telephone 03 9244 8706

GENERAL INFORMATION

This Gazette contains details of quota transactions processed in the period 05 Jul 2011 to 12 Jul 2011 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions.

Part 2, Section B, lists all adjustments to previous allocations which have been caused by transfer transactions.

NB.- In Section B, transactions represent changes to individual tariff quotas and do not necessarily represent the entire holdings in that category for the quota holder.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Inquiries concerning any information published within this Gazette should be directed to the Trade Services Branch, Australian Customs and Border Protection Service, Customs House, 5 Constitution Avenue, Canberra City, ACT, 2601.
