CUSTOMS ACT 1901**INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

It is intended to revoke the Tariff Concession Order for the goods described in the following TABLE.

I, Andrew Mumberson, a delegate of the Chief Executive Officer(CEO), declare my intention, subject to s.269SD(1AB), to make an order revoking the TCO in the table below with effect from 1 August 2011. On 1 August 2011, I formed the belief in respect of the TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the CEO would not have made the TCO.

That is because the goods described in part (b) of the TCO are contrary to the Headwords as DVI cables cannot carry audio signals.

Interested parties are invited to provide, by close of business Wednesday 31 August 2011, written reasons why this TCO should not be revoked.

Contact: email tarcon@customs.gov.au, fax 02 6275 6376 or telephone 02 6275 6041
