CUSTOMS ACT 1901**INTENTION TO REVOKE A TARIFF CONCESSION ORDER**

It is intended to revoke the Tariff Concession Order for the goods described in the following TABLE.

I, Andrew Mumberson, a delegate of the Chief Executive Officer(CEO), declare my intention, subject to s.269SD(1AB), to make an order revoking the TCO in the table below with effect from 4 October 2011. On 4 October 2011, I formed the belief in respect of the TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the CEO would not have made the TCO.

That is because the TCO was made in contravention of s.269F(3)(a) and (b), to the extent that the TCO has an inadequate description and/or incorrect Tariff Classification.

Interested parties are invited to provide, by close of business Wednesday, 2 November 2011, written reasons why this TCO should not be revoked. Interested parties may consider applying for a new Tariff Concession Order on the application form, B443 (updated March 2010) for the goods described below, worded in terms that contains a full description of the goods, and/or correct Tariff Classification to which the application relates.

AUSTRALIAN CUSTOMS AND BORDER PROTECTION SERVICE**TARIFF QUOTAS - QUOTA TRANSACTIONS PROCESSED IN THE PERIOD 27 Sep 2011 to 04 Oct 2011.**

GENERAL INFORMATION

This Gazette contains details of quota transactions processed in the period 27 Sep 2011 to 04 Oct 2011 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions.

Part 2, Section B, lists all adjustments to previous allocations which have been caused by transfer transactions.

NB.- In Section B, transactions represent changes to individual tariff quotas and do not necessarily represent the entire holdings in that category for the quota holder.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Inquiries concerning any information published within this Gazette should be directed to the Trade Branch, Australian Customs and Border Protection Service, Customs House, 5 Constitution Avenue, Canberra City, ACT, 2601.

PART 1**NOTICE OF MAKING A DETERMINATION UNDER PART XVI OF THE CUSTOMS ACT 1901**

- (4) in total, not in excess of such quantity as is specified in that Determination, as shown in Part 2.

In pursuance of Section 273B of the Customs Act 1901, notice is hereby given that a Determination specified in Section B of Part 2 amended a previous Determination by deleting the figures in the column headed QUANTITY AS WAS" and inserting the figures in the column headed "QUANTITY AS IS".
