CUSTOMS ACT 1901**INTENTION TO REVOKE A TARIFF CONCESSION ORDER**

It is intended to revoke the Tariff Concession Orders for the goods described in the following TABLE.

I, Andrew Mumberson, a delegate of the Chief Executive Officer (CEO), declare my intention, subject to s.269SD(1AB), to make an order revoking the TCO in the table below with effect from 14 November 2011. On 14 November 2011, I formed the belief in respect of the TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the CEO would not have made the TCO.

That is because the TCO was made in contravention of s.269F(3)(a) and (b), to the extent that the TCO has an inadequate description and/or incorrect Tariff Classification.

Interested parties are invited to provide, by close of business Wednesday, 14 December 2011, written reasons why this TCO should not be revoked. Interested parties may consider applying for a new Tariff Concession Order on the application form, B443 (updated March 2010) for the goods described below, worded in terms that contains a full description of the goods, and/or correct Tariff Classification to which the application relates.
