CUSTOMS ACT 1901

INTENTION TO REVOKE TARIFF CONCESSION ORDERS

It is intended to revoke the Tariff Concession Order for the goods described in the following TABLE.

I, James Buntine, a delegate of the Chief Executive Officer(CEO), declare my intention, subject to s.269SD(1AB), to make an order revoking the TCO in the table below with effect from 9 January 2012. On 9 January 2012, I formed the belief in respect of the TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the CEO would not have made the TCO.

That is because there is a local manufacturer producing substitutable goods in the ordinary course of business for items (a) and (d) of the TCO. The remaining items in the TCO are incorrectly classified and would be correctly classified to a number of different Tariff subheadings.

Interested parties are invited to provide, by close of business Wednesday 8 February 2012, written reasons why this TCO should not be revoked.

Contact: email tarcon@customs.gov.au, fax 02 6275 6376 or telephone 03 9244 8706

Delegate is aware of a local manufacturer producing goods substitutable for items (a) and (d) in the ordinary course of business. Other items in the TCO are incorrectly classified and are classifiable to a number of different Tariff subheadings.
