**CUSTOMS ACT 1901****INTENTION TO REVOKE TARIFF CONCESSION ORDERS TC 0614554, 0614555, 0614556, 0614557, 0614558, 0614559**

It is intended to revoke the Tariff Concession Orders keyed to Tariff Classifications 8708.40.52, 8708.50.52, 8708.80.92, 8708.91.42, 8708.92.52 and 8708.94.52 for the goods described in the following TABLE.

I, Andrew Mumberson, a delegate of the Chief Executive Officer (CEO), declare my intention, subject to s.269SD(1AB), to make orders revoking the TCOs in the table below with effect from 16 April 2012.

On 16 April 2012, I formed the belief in respect of the TCOs, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the CEO would not have made the TCO. That is because the TCOs were made in contravention of s.269SD(1AA), in that the goods are incorrectly classified and fall to multiple classifications.

Interested parties are invited to provide, by close of business Wednesday 16 May 2012, written reasons why these TCOs should not be revoked. Interested parties may consider applying for new Tariff Concession Orders on the application forms, B443 (updated March 2010) for the goods described below.
