**INTENTION TO REVOKE A TARIFF CONCESSION ORDER**

It is intended to revoke a Tariff Concession Order for the goods described in the following TABLE.

I, Andrew Mumberson, a delegate of the Chief Executive Officer (CEO), declare my intention, subject to s.269SD(1AB), to make orders revoking the TCO in the table below with effect from 7 September 2012.

On 7 September 2012, I formed the belief in respect of the TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the CEO would not have made the TCO. That is because the TCO was made in contravention of s.269SD(1AA), in that the description of the goods in the TCO does not provide a full description of the goods the subject of the original TCO application.

Interested parties are invited to provide, by close of business Wednesday 11 October 2012, written reasons why the TCO should not be revoked. Interested parties may consider applying for new Tariff Concession Orders on the application forms, B443 (updated March 2010) for the goods described below.

**CUSTOMS ACT 1901****INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

It is intended to revoke the Tariff Concession Orders for the goods described in the following TABLE.

I, Michael Perry, a delegate of the Chief Executive Officer (CEO), declare my intention, subject to s.269SD(1AB), to make orders revoking the TCOs in the table below with effect from 7 September 2012. On 7 September 2012, I formed the belief in respect of the TCOs, that if the TCOs were not in force on that day, and applications for the TCOs were made on that day, the CEO would not have made the TCOs.

That is because there are local manufacturers producing substitutable goods in the ordinary course of business.

Interested parties are invited to provide, by close of business Wednesday 10 October 2012, written reasons why these TCOs should not be revoked.
