**INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

It is intended to revoke Tariff Concession Orders for the goods described in the following TABLE.

I, Andrew Mumberson, a delegate of the Chief Executive Officer (CEO), declare my intention, subject to s.269SD(1AB), to make orders revoking the TCOs in the table below with effect from 18 September 2012.

On 18 September 2012, I formed the belief in respect of the TCOs, that if the TCOs were not in force on that day, and an application for the TCOs were made on that day, the CEO would not have made the TCOs. That is because the TCOs were made in contravention of s.269SD(1AA) in that there is a local manufacturer of the goods the subject of the TCOs, being Hofmann Engineering.

Interested parties are invited to provide, by close of business Wednesday 17 October 2012, written reasons why these TCOs should not be revoked. Interested parties may consider applying for new Tariff Concession Orders on the application forms, B443 (updated March 2010) for the goods described below,

## GENERAL INFORMATION

This Gazette contains details of quota transactions processed in the period 11 Sep 2012 to 18 Sep 2012 inclusive.

- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.
