**CUSTOMS ACT 1901**

**INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

It is intended to revoke the Tariff Concession Orders for the goods described in the following TABLE.

I, Michael Perry, a delegate of the Chief Executive Officer (CEO), declare my intention, subject to s.269SD(1AB), to make orders revoking the TCOs in the table below with effect from 29 October 2012. On 29 October 2012, I formed the belief in respect of the TCOs, that if the TCOs were not in force on that day, and applications for the TCOs were made on that day, the CEO would not have made the TCOs.

That is because notification has been received by Customs and Border Protection Service that the relevant Australian Standard has been withdrawn.

Interested parties are invited to provide, by close of business Wednesday 28 November 2012, written reasons why these TCOs should not be revoked.
