**AUSTRALIAN CUSTOMS AND BORDER PROTECTION SERVICE****TARIFF QUOTAS - QUOTA TRANSACTIONS PROCESSED IN THE PERIOD 19 Feb 2013 to 26 Feb 2013.**

## GENERAL INFORMATION

This Gazette contains details of quota transactions processed in the period 19 Feb 2013 to 26 Feb 2013 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions.

Part 2, Section B, lists all adjustments to previous allocations which have been caused by transfer transactions.

NB.- In Section B, transactions represent changes to individual tariff quotas and do not necessarily represent the entire holdings in that category for the quota holder.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Inquiries concerning any information published within this Gazette should be directed to the Trade Branch, Australian Customs and Border Protection Service, Customs House, 5 Constitution Avenue, Canberra City, ACT, 2601.
