CUSTOMS ACT 1901**INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

It is intended to revoke the Tariff Concession Orders for the goods described in the following TABLE.

I, Michael Perry, a delegate of the Chief Executive Officer (CEO), declare my intention, subject to s.269SD(1AB), to make orders revoking the TCOs in the table below with effect from 4 March 2013. On 4 March 2013, I formed the belief in respect of the TCOs, that if the TCOs were not in force on that day, and applications for the TCOs were made on that day, the CEO would not have made the TCOs.

That is because the TCOs do not contain a full description of TCO goods as required by s.269F(3)(a). Customs National Trade Advice Centre has advised that the terms "tensile modulus" and "melt volume flow rate" need to specify a test method and/or temperature to be a complete description of the goods.

Interested parties are invited to provide, by close of business Wednesday 3 April 2012, written reasons why these TCOs should not be revoked. Interested parties may consider applying for new Tariff Concession Orders on the application form, B443 (updated March 2010) for the goods described below, worded in terms that contains a full description of TCO goods.

This Gazette contains details of quota transactions processed in the period 26 Feb 2013 to 05 Mar 2013 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions.

Part 2, Section B, lists all adjustments to previous allocations which have been caused by transfer transactions.

NB.- In Section B, transactions represent changes to individual tariff quotas and do not necessarily represent the entire holdings in that category for the quota holder.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Inquiries concerning any information published within this Gazette should be directed to the Trade Branch, Australian Customs and Protection Service, Customs House, 5 Constitution Avenue, Canberra City, ACT, 2601.
