**CUSTOMS ACT 1901  
INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

It is intended to revoke the Tariff Concession Order for the goods described in the following TABLE.

I, Michael Perry, a delegate of the Chief Executive Officer (CEO), declare my intention, subject to s.269SD(1AB), to make an order revoking the TCO in the table below with effect from 24 April 2013. On 24 April 2013, I formed the belief in respect of the TCO, that if the TCO was not in force on that day, and applications for the TCO was made on that day, the CEO would not have made the TCO.

That is because a Tariff Policy and Advice Section review found that dolls with a plastic head are not properly described by the term "rag dolls" and therefore the TCO does not contain a full description of TCO goods as required by s.269F(3) (a).

Interested parties are invited to provide, by close of business Wednesday 29 May 2013, written reasons why this TCO should not be revoked. Interested parties may consider applying for new Tariff Concession Orders on the application form, B443 (updated March 2010) for the goods described below, worded in terms that contains a full description of TCO goods.

Contact: email tarcon@customs.gov.au, fax 02 6275 6376 or telephone 02 6275 6631.
