CUSTOMS ACT 1901**INTENTION TO REVOKE A TARIFF CONCESSION ORDERS**

It is intended to revoke the Tariff Concession Orders for the goods described in the following TABLE.

The Chief Executive Officer's (CEO's), delegate has declared the intention, subject to s.269SD(1AA), to make an order revoking the TCOs in the table below with effect from 12 June 2014. On 12 June 2014, the CEO's delegate formed the belief in respect of the TCO, that if the TCOs were not in force on that day, and applications for the TCOs were made on that day, the CEO would not have made the TCOs.

This is because the delegate has formed a belief that substitutable goods were produced in Australia in the ordinary course of business on 12 June 2014.

Interested parties are invited to provide, by close of business Wednesday 16 July 2014, written reasons why the TCOs should not be revoked.

Contact: email tarcon@customs.gov.au, fax 02 6275 6376 or telephone 02 6275 6475.

GENERAL INFORMATION

This Gazette contains details of quota transactions processed in the period 10 June 2014 to 17 June 2014 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions.

Part 2, Section B, lists all adjustments to previous allocations which have been caused by transfer transactions.

NB.- In Section B, transactions represent changes to individual tariff quotas and do not necessarily represent the entire holdings in that category for the quota holder.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Inquiries concerning any information published within this Gazette should be directed to the Trade Branch, Australian Customs and Border Protection Service, Customs House, 5 Constitution Avenue, Canberra City, ACT, 2601.
