CUSTOMS ACT 1901**INTENTION TO REVOKE A TARIFF CONCESSION ORDERS**

It is intended to revoke the Tariff Concession Orders (TCO) for the goods described in the following TABLE.

The Chief Executive Officer's (CEO's), delegate has declared the intention, subject to s.269SD(1AA), to make an order revoking the TCOs in the table below with effect from 25 June 2014. On 25 June 2014, the CEO's delegate formed the belief in respect of the TCO, that if the TCOs were not in force on that day, and applications for the TCOs were made on that day, the CEO would not have made the TCOs.

The intention to revoke is because, based on recent revocation decisions, the delegate believes there are Australian Manufacturers of substitutable goods.

Interested parties are invited to provide, by close of business Wednesday 23 July 2014, written reasons why the TCOs should not be revoked.

Contact: email tarcon@customs.gov.au, fax 02 6275 6376 or telephone 02 6275 6041.
