**INTENTION TO REVOKE A TARIFF CONCESSION ORDER**

It is intended to revoke the Tariff Concession Order (TCO) for the goods described in the following TABLE.

The Chief Executive Officer's (CEO's), delegate has declared the intention, subject to s.269SD(1AA), to make an order revoking the TCO in the table below with effect from 26 November 2014. On 26 November 2014, the CEO's delegate formed the belief in respect of the TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the CEO would not have made the TCO.

The intention to revoke is because the delegate has formed a belief that there is a local manufacturer of goods described in the wording of TC 1411898.

Interested parties are invited to provide, by close of business Wednesday 24 December 2014, written reasons why the TCO should not be revoked.

**COMMERCIAL TARIFF CONCESSION ORDERS (CTCOs) & TARIFF CONCESSION ORDERS (TCOs) NOT USED IN THE PREVIOUS 2 YEARS**

The Chief Executive Officer (CEO) is satisfied that CTCOs and TCOs listed in the table below are no longer required because, in the 2 years preceding the day of this notice, they have not been quoted in an import declaration to secure a concessional rate of duty.

In accordance with subsection 269SG(2) of the Customs Act 1901, in-transit provisions shall apply. If revoked, the expected date of effect will be 25 December 2014.

Interested parties are invited to provide, by close of business, Wednesday, 24 December 2014, written reasons why an Order should NOT be revoked.

Please advise if any of the Orders listed below have been quoted on an import declaration.

If a request is made to retain an Order used for the granting of a Determination, please specify the Determination and the linked Item number to enable mapping to the Order and its scope.

**CUSTOMS ACT 1901****INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

It is intended to revoke the Tariff Concession Orders for the goods described in the following TABLE.

The Chief Executive Officer's (CEO's), delegate has declared the intention, subject to s.269SD(1AB), to make an order revoking the TCOs in the table below with effect from Tuesday 30 December 2014. On 25 November 2014, the CEO's delegate formed the belief in respect of the TCO, that if the TCO was not in force on that day, and an application for the TCO was made on that day, the CEO would not have made the TCO.

That is because the TCOs are considered to be unnecessary. A TCO is considered to be unnecessary if the goods covered by that TCO can be imported under another, often more recent, TCO that often covers a broader range of goods.

Importers and customs brokers will not be disadvantaged by the revocation action, as TCOs will continue to apply to the same range of goods. Before attempting to use a TCO, an importer or customs broker should check the list of concessional instruments to ensure that the TCO still exists.

Interested parties are invited to provide, by close of business Wednesday 24 December 2014, written reasons why the TCOs should not be revoked.

Contact: email [tarcon@customs.gov.au](mailto:tarcon@customs.gov.au) , fax 02 6275 6376 or telephone 02 6122 5540.
