**INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

It is intended to revoke the Tariff Concession Order for the goods described in the following TABLE.

I, Andrew Mumberson, a delegate of the Chief Executive Officer(CEO), declare my intention, subject to s.269SD(1AB), to make orders revoking the TCOs in the table below with effect from 9 September 2011. On 9 September 2011, I formed the belief in respect of the TCOs, that if the TCOs were not in force on that day, and applications for the TCOs were made on that day, the CEO would not have made the TCOs.

That is because the wording does not provide a full description of the goods covered by the TCOs.

Interested parties are invited to provide, by close of business Wednesday 12 October 2011, written reasons why this TCO should not be revoked.

## GENERAL INFORMATION

This Gazette contains details of quota transactions processed in the period 06 Sep 2011 to 13 Sep 2011 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions.

Part 2, Section B, lists all adjustments to previous allocations which have been caused by transfer transactions.

NB.- In Section B, transactions represent changes to individual tariff quotas and do not necessarily represent the entire holdings in that category for the quota holder.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Inquiries concerning any information published within this Gazette should be directed to the Trade Branch, Australian Customs and Border Protection Service, Customs House, 5 Constitution Avenue, Canberra City, ACT, 2601.
