CUSTOMS ACT 1901**TARIFF CONCESSION ORDER (TCO) - REVOCATION AT THE INITIATIVE OF CUSTOMS**

It is intended to revoke the Tariff Concession Orders for the goods described in the following TABLE.

The delegate of the Comptroller-General of Customs has declared the intention, subject to s.269SD(1AA), to make an order revoking the TCOs in the table below with effect from 18 August 2015. On 18 August 2015, the CEO's delegate formed the belief in respect of the TCO, that if the TCOs were not in force on that day, and applications for the TCOs were made on that day, the CEO would not have made the TCOs.

The intention to revoke is because the delegate has formed a belief that the wording of the TCO does not contain a full description of the goods.

Interested parties are invited to provide, by close of business Wednesday 16 September 2015, written reasons why the TCOs should not be revoked.

Contact: email tarcon@border.gov.au, fax 02 6198 7203 or telephone 02 6264 1946.

TARIFF CONCESSION ORDERS (TCOs) NOT USED IN THE PREVIOUS 2 YEARS

The Comptroller-General of Customs is satisfied that the TCOs listed in the table below are no longer required because, in the 2 years preceding the day of this notice, they have not been quoted in an import declaration to secure a concessional rate of duty.

From Thursday, 17 September 2015, it is intended to take action to revoke these Orders under subsection 269SD(1A) of the Customs Act 1901. In accordance with subsection 269SG(2) of the Customs Act 1901, in-transit provisions shall apply. If revoked, the expected date of effect will be 16 September 2015.

Interested parties are invited to provide, by close of business, Wednesday, 16 September 2015, written reasons why an Order should NOT be revoked.

Please advise if any of the Orders listed below have been quoted on an import declaration.

If a request is made to retain an Order used for the granting of a Determination, please specify the Determination and the linked Item number to enable mapping to the Order and its scope.

DEPARTMENT OF IMMIGRATION AND BORDER PROTECTION**TARIFF QUOTAS - QUOTA TRANSACTIONS PROCESSED DURING THE PERIOD 11 AUGUST 2015 to 18 AUGUST 2015.**

GENERAL INFORMATION

This Gazette contains details of quota transactions processed during the period 11 August 2015 to 18 August 2015 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions.

Part 2, Section B, lists all adjustments to previous allocations which have been caused by transfer transactions.

NB.- In Section B, transactions represent changes to individual tariff quotas and do not necessarily represent the entire holdings in that category for the quota holder.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Inquiries concerning any information published within this Gazette should be directed to the Trade, Customs and Industry Policy, Department of Immigration and Border Protection, Orange Building, 5 Chan Street, Belconnen, ACT, 2620.
