CUSTOMS ACT 1901**INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

The Comptroller-General of Customs intends to revoke the Tariff Concession Orders (TCOs) for the goods described in the following TABLE.

The Comptroller-General of Customs' delegate has declared the intention, subject to s.269SD(1AA), to make an order revoking the TCOs in the table below with effect from 20 April 2016.

On 20 April 2016, the Comptroller-General of Customs' delegate formed the belief in respect of these TCOs, that if the TCOs were not in force on that day, and applications for the TCOs were made on that day, the Comptroller-General of Customs would not have made the TCOs. This is because the Comptroller-General of Customs is aware of a local manufacturer of substitutable goods produced in Australia in the ordinary course of business.

Interested parties who might be affected by one or more of these revocations are invited to provide, by close of business Wednesday 18 May 2016, a written submission concerning the proposed revocations.
