**CUSTOMS ACT 1901****INTENTION TO REVOKE TARIFF CONCESSION ORDERS**

The Comptroller-General of Customs intends to revoke Tariff Concession Orders (TCO) for the goods described in the following TABLE in accordance with s.269SD(1AA) with effect from 13 July 2016.

On 13 July 2016, the Comptroller-General of Customs' delegate formed the belief in respect of these TCOs, that if the TCOs were not in force on that day, and applications for the TCOs were made on that day, the Comptroller-General of Customs would not have made the TCOs. The Comptroller-General of Customs would not have made these TCOs because he believes that the wording of the TCOs do not provide a full description of the goods that were the subject of the TCO application.

Interested parties who might be affected by this decision are invited to provide, by close of business Wednesday 10 August 2016, a written submission concerning the proposed revocations.

**TARIFF QUOTAS - QUOTA TRANSACTIONS PROCESSED IN THE PERIOD 05 JULY 2016 to 12 JULY 2016.****GENERAL INFORMATION**

This Gazette contains details of quota transactions processed in the period 05 Jul 2016 to 12 Jul 2016 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions.

Part 2, Section B, lists all adjustments to previous allocations which have been caused by transfer transactions.

NB.- In Section B, transactions represent changes to individual tariff quotas and do not necessarily represent the entire holdings in that category for the quota holder.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Enquiries concerning any information published within this Gazette should be directed to Tariff Concession Administration, Customs Compliance Branch, Australian Border Force, 5 Constitution Avenue, City, ACT, 2601.
