GENERAL INFORMATION

This Gazette contains details of COMPILE quota transactions processed in the period 1 JULY 2005 to 31 DECEMBER 2005 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2, Section A, lists quota holders who received quota allocations via transfer transactions

Part 2, Section B, lists all adjustments to previous allocations that have been caused by transfers.

NB.- In Section B, transactions represent changes to individual tariff quotas and do not necessarily represent the entire holdings in that category for the quota holder.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.

- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Explanatory Key for Table:-

07=indicates the calendar month the quota period commenced.
A1=scheme code, indicating type of quota and the number of allocations in any quota period cheese base, quota, first allocation.
