This Gazette contains details of quota transactions processed in the period 15 Oct 2007 to 22 Oct 2007 inclusive.

Part 1 contains a Table specifying quota category details.

Part 2 lists all adjustments to previous allocations which have been caused by transfer transactions.

- The "AS WAS" and "AS IS" columns indicate the quota levels for that particular tariff quota only at the time of that transaction.
- The amount of the transaction can be deduced by subtracting the "AS WAS" column from the "AS IS" column.

Inquiries concerning any information published within this Gazette should be directed to the Trade Branch, Australian Customs Service, Customs House, 5 Constitution Avenue, Canberra City, ACT, 2601.

In pursuance of Section 273B of the Customs Act 1901, notice is hereby given that a Determination specified in Part 2 amended a previous Determination by deleting the figures in the column headed "QUANTITY AS WAS" and inserting the figures in the column headed "QUANTITY AS IS".
